Our website uses the web analysis service Google Analytics from Google Ireland Limited (Gordon House, Barrow Street, Dublin 4, Ireland; "Google").

The processing of data serves to analyse this website and its visitors and for marketing and advertising purposes.

Google will use this information on behalf of the operator of this website to evaluate your use of the website, to compile reports on website activity and to provide other services to the website operator relating to website and internet use. In this process the following information, inter alia, can be collected: IP address, date and time of the website access, click path, information on the browser and the device you are using, the pages visited, referrer URL (website via which you accessed our website), location data, purchasing activities. Google relies on standard contractual clauses as suitable guarantees for the protection of personal data, available at: <https://policies.google.com/privacy/frameworks> and <https://business.safety.google/adsprocessorterms/>. Google may combine your data with other data, such as your search history, personal accounts, usage data from other devices and any other information Google has about you.

IP anonymisation is activated on this website. Google uses this to shorten your IP address beforehand within Member States of the European Union or in other signatories to the Agreement on the European Economic Area. Only in exceptional cases will the full IP address be transferred to a Google server in the USA and shortened there.

The use of cookies or comparable technologies is carried out with your consent on the basis of Art. 25 para. 1 p. 1 TTDSG in conjunction with Art. 6 para. 1 lit. a GDPR. The processing of your personal data is carried out with your consent on the basis of Art. 6 para. 1 lit. a GDPR. The processing of your personal data is based on Art. 6 para. 1 lit. f GDPR due to our overriding legitimate interest in the needs-based and targeted design of the website. **On grounds relating to your particular situation, you have the right to object at any time to this processing of personal data concerning you.**

Use of Facebook Pixel

Our website uses the remarketing function "Custom Audiences" by Meta Platforms Ireland Limited (4 Grand Canal Square, Grand Canal Harbour, Dublin 2, Ireland "Facebook").

Meta Platforms Ireland and we are jointly responsible for the collection of your data and the transfer of this data to Facebook when the service is integrated. The basis for this is an agreement between us and Meta Platforms Ireland on the joint processing of personal data, in which the respective responsibilities are defined. The agreement is available at https://www.facebook.com/legal/controller_addendum.

According to this agreement, we are responsible in particular for the fulfilment of the information obligations in accordance with Art. 13, 14 GDPR, for compliance with the security requirements of Art. 32 GDPR with regard to the correct technical implementation and configuration of the service, and for compliance with the obligations in accordance with Art. 33, 34 GDPR, insofar as a violation of the protection of personal data affects our obligations under the agreement on joint processing. Meta Platforms Ireland is responsible for enabling the rights of the data subject in accordance with articles 15-20 of the GDPR, for complying with the security requirements of article 32 of the GDPR with regard to the security of the service, and for complying with the obligations of articles 33, 34 of the GDPR, insofar as a breach of personal data protection concerns Meta Platforms Ireland's obligations under the joint processing agreement.

This application serves to address the visitor to the website with interest-related advertising on the social network Facebook. We have implemented Facebook's remarketing tag on our website for this purpose. This tag sets up a direct connection to Facebook's servers when you visit our website. This informs the Facebook server which of our web pages you have visited. Facebook assigns this information to your personal Facebook user account. When you visit the social network Facebook you will then be shown personalised, interest-related Facebook ads.

Your data may be transmitted to the USA. For the USA, no adequacy decision from the EU Commission is available. The data transfer takes place, among other things, on the basis of standard contractual clauses as suitable guarantees for the protection of personal data, which can be viewed at: https://www.facebook.com/legal/EU_data_transfer_addendum.

The use of cookies or comparable technologies is carried out with your consent on the basis of Art. 25 para. 1 p. 1 TTDSG in conjunction with Art. 6 para. 1 lit. a GDPR. The processing of your personal data is carried out with your consent on the basis of Art. 6 para. 1 lit. a GDPR. You can withdraw your consent at any time without affecting the legality of the processing carried out with your consent up to the withdrawal.

You can find more detailed information on Facebook's collection and use of data and your associated rights and options for protecting your privacy in Facebook's privacy policy: <https://www.facebook.com/about/privacy/>.

Use of Google Ads conversion tracking

Our website uses the online marketing program "Google Ads", including conversion tracking (evaluation of user actions). Google conversion tracking is a service operated by Google Ireland Limited (Gordon House, Barrow Street, Dublin 4, Ireland; "Google").

If you click on adverts placed by Google, a cookie is placed on your computer for conversion tracking. These cookies have limited validity, do not contain any personal data and thus cannot be used for personal identification. If you visit certain pages on our website and the cookie has not yet expired, we and Google can recognise that you have clicked on the advert and were forwarded to this page. Every Google Ads customer receives a different cookie. It is therefore not possible to track cookies relating to the websites of Ads customers. The information collected using the conversion cookie serves the purpose of producing conversion statistics. This allows us to find out the total number of users who have clicked on our adverts and were forwarded to a page equipped with a conversion tracking tag. However, they do not receive any information with which could be used to personally identify users.

Your data may be transmitted to the USA. For the USA, no adequacy decision from the EU Commission is available. The data transfer takes place, among other things, on the basis of standard contractual clauses as suitable guarantees for the protection of personal data, which can be viewed at: <https://policies.google.com/privacy/frameworks> and <https://business.safety.google/adscontrollerterms/>.

The use of cookies or comparable technologies is carried out with your consent on the basis of Art. 25 para. 1 p. 1 TTDSG in conjunction with Art. 6 para. 1 lit. a GDPR. The processing of your personal data is carried out with your consent on the basis of Art. 6 para. 1 lit. a GDPR. You can withdraw your consent at any time without affecting the legality of the processing carried out with your consent up to the withdrawal.

You will find more information as well as Google's data privacy policy at: <https://www.google.com/policies/privacy/>

Our website uses the remarketing or "similar target groups" function by Google Ireland Limited (Gordon House, Barrow Street, Dublin 4, Ireland; "Google").

This application serves to analyse visitor behaviour and visitor interests.

Google uses cookies to analyse website use, forming the basis for producing interest-related adverts. Cookies allow for the recording of website visits as well as anonymised data on the use of the website. The personal data of website visitors is not saved. If you then visit another website in the Google display network you will then be shown adverts which are more likely to take previous areas of product and information interest into account.

Your data may be transmitted to the USA. For the USA, no adequacy decision from the EU Commission is available. The data transfer takes place, among other things, on the basis of standard contractual clauses as suitable guarantees for the protection of personal data, which can be viewed at: <https://policies.google.com/privacy/frameworks>.

The use of cookies or comparable technologies is carried out with your consent on the basis of Art. 25 para. 1 p. 1 TTDSG in conjunction with Art. 6 para. 1 lit. a GDPR. The processing of your personal data is carried out with your consent on the basis of Art. 6 para. 1 lit. a GDPR.
